Public Inquiry

October 17, 2001 22:48:42

IP address: 24.234.19.248

Name: Phyllis Hart

E-mail: ipsews4u@lvcm.com

Comments: I want to officially state my opposition to the transport of nuclear waste on the nations highways. We have recently experienced an example of terrorism that cost over 5000 lives. I cannot imagine how many lives could be at risk if terrorists acquired nuclear material while it is being transported across country or just blown up on the way. Our leaders need to re-think this process.
